EAGLE REPORT

Note from the Administration

Growing Together

I'm not sure that you are aware of this or not, but this year marks CCA's 19th year as a school. In 1999 Calvary Chapel of Melbourne's Elders prayed and decided to open a preschool. In the years that followed, CCA slowly grew to meet the needs of its growing students. In that time, we have seen many students come through the halls of the C building and then leave CCA to embark upon their high school journey. And every year as we see our 8th graders departing we welcome in a new class of Kindergarteners with their own journey ahead of them.

As we look forward to another school year we are reminded of the incredible growth that each of these children experience in the course of 10 months. This process led to last year's school theme "GROW," where we focused on the goal of growing in faith and love, knowledge and understanding, and grace and friendship. It helped us as a community see the importance in growing every student spiritually, academically, and socially. Coming into this school year and seeking a theme, several staff members commented on how much the GROW theme had an impact in our hallways and classrooms, but there was still so much more we could do to help our kids grow. As a result, it was decided that this year's theme would be "Growing Together," with an emphasis on growing stronger in faith and love, deeper in knowledge and understanding, and richer in grace and friendship.

I personally like the thought of growing together with the adverbs stronger, deeper,

and richer to spur us on to see the importance of what we are doing as we partner with parents to help disciple our students. I have been blessed by all of the people over the years who have taken the time to pour into my own children and help them become who they are today, and I know I speak for the entire staff of CCA when I say, we look forward to pouring into every CCA student this coming year. CCA is 18 and still growing. We all, in our own way, still have growing to do, so we should look forward to doing it together; encouraging one another and supporting one another as a body of believers. Let me leave you with our verse for this year from Psalms 1:2-3, "They delight in the law of the Lord, meditating on it day and night. They are like trees planted along the riverbank, bearing fruit each season. Their leaves never wither, and they prosper in all they do."

In Him,

Tim Flay,
Head of School
