EAGLE REPORT

Note from the Administration

It is that time of year again...time to pack up our supplies, put away our books, roll up our rugs, and shut down our laptops. After all of the students and teachers are gone and enjoying a well-deserved vacation, our school building gets

some fresh paint inside, floors get scrubbed and waxed, and the C building gets some rest. There are times when the administrators walk the halls during the summer, busy preparing for another year, and it seems so unusual to have an absence of kids walking the halls, no soft din of teachers instructing students as to their lessons, no band working diligently to master their musical phrases. In that silence, that stillness of our school, it feels as if the building is resting. Ten months of constant activity now becomes two months of stillness, of resting - a sort of "building" summer vacation. God labored for six days then rested the seventh as an example to man to take time to rest and meditate on His goodness. God gave this example to His people later as they were instructed to allow their land to rest every seventh year in agriculture as well. This importance to rest is for our good and gives us time to recover, refresh, and renew physically and spiritually. Psalm 46:10- He says, *"Be still, and know that I am God; I will be exalted among the nations, I will be exalted in the earth."* Summer vacation provides a wonderful opportunity to rest and relax as we spend time together as families and recover from the busyness of the school year. Sometimes, though, we pack our summers with a multitude of other "things" which keep us on that frantic pace and provides us no opportunity to slow down from the school year. Let me encourage you of the importance to take time to "Be still, and know that" He is God. In some other translations of the Bible "Be still" is translated as, "Stop your fighting," or "Cease striving," or "Desist." All place the emphasis in

taking time to rest and know that He is God. The world we live in is always going, always striving, always a matter of trying to keep up with the multitude of things that demand our attention and time. What if we set aside some of our summer to allow the land to rest, to rest in our homes with our families, and take time to enjoy knowing that He is our God and exalting Him among the nations and on the earth? What if we stopped striving to control things out of our control, and allowed God to control things while we offer Him the praise and exaltation He is so deserving of? My prayer for our CCA family is that each and every one of you would enjoy some rest this summer, for August will be here soon enough and we will start another incredible year. Enjoy your children and time spent with them, for the days are long, but the years are short. Take time to "Be still" together... and have a lot of fun at the same time. May God bless you this summer!

In Him,
Tim Flay
Head of School

LITTLE EAGLE SUMMER CAMP

Looking for something to do this summer? June 18-22 and June 25-29 we're offering a *Little Eagle's* summer camp for our incoming Kindergarten and 1st grade students. For only \$95 per week, the camp includes a hot lunch each day, art projects, academic time, and more! Pick up a registration form at the front office today.

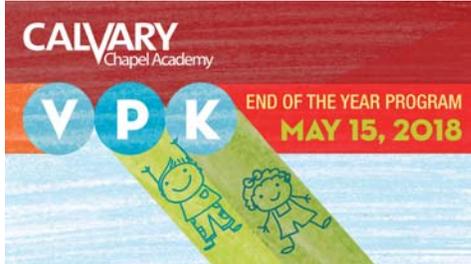

For more information, contact Michelle Procise at mprocise@ccamelb.com
