EAGLE REPORT

Note from the Administration

What an exciting time of the year! School has started and so have our athletic competitions. The volleyball and swim seasons have begun, and soon it will be time for flag football and basketball. These

competitions provide many opportunities for our student-athletes to excel both on and off the court, field and pool. One thing I have challenged our coaches to do this year is to be a light to the world. This includes encouraging the teams we play and our own student-athletes to "live it out and live it out loud". I have no doubt that this will bring about a renewed life within our athletics program. In Jeremiah 17:7-8, the Bible speaks of a tree being planted by the water and how the roots give it the nourishment it requires which is what we strive for when it comes to yielding our fruit for the Lord.

When was the last time you were at an athletic event? I would like to encourage each of you to attend an upcoming athletic event and cheer on our student-athletes. The schedules are posted on the athletics page of the school's webpage and are frequently updated with the latest information. We also have plenty of opportunities to volunteer at athletic events as well. If you would like to volunteer at an event, email me at jdipianta@ccamelb.com or call 321. 729. 9922.

Many Blessings,
Jeff DiPianta
Athletic Director
