# EAGLE REPORT

## Note from the Administration

Believing. Learning. Soaring. These three words epitomize our hopes and dreams for the students here at CCA. First, we seek to promote Christ in everything we do to prepare a generation of Christ-followers.

Second, we aim to delve deeply into academics and produce high-achieving students who are at the top of the ladder in the realm of academic success. Third, we pray that when our students move out of our hands and into the hands of the world, they are able to hold firm to all they believe and all they have learned to truly make a difference in the world around them. As the Wise King Solomon wrote in the book of Proverbs, "Start children off on the way they should go, and even when they are old they will not turn from it" (Proverbs 22:6).

As we move into the final quarter of school, our first through eighth grade students have the opportunity to showcase their academic progress on the Terra Nova 3 Standardized Assessments. This testing will shed light on strengths and possible weaknesses in our academic program while providing direction for greater student success. For more information on why we participate in standardized assessment, as well as information to help you understand and interpret your child's testing results, we have posted a narrated PowerPoint presentation of the "Terra Nova 3 Parent Interpretation" on the Academics page of our school website, [calvaryCCA.com](http://calvaryCCA.com). The testing will take place the week of April 16-20. Parents, it is important that your child is present at school and on-time each day of that week as we

not able to offer the opportunity to make up any testing they miss. Also, it will be helpful if your child receives a good night's rest and eats a substantial, healthy meal each night and morning of that week. Your child's scores should be available when you pick up your fourth quarter report cards this summer. We appreciate all you do as parents and guardians to support your child's growth in all areas: academically, socially, emotionally, and spiritually.

Many blessings to you and your family,  
Jessica Quinn  
Director of Curriculum, Instruction, &  
Academic Advancement

## Reminders & Information

You don't want to miss the Fine Arts Spring Showcase on Tuesday, May 1, at 6:30pm in the Sanctuary. The students' enthusiasm will be contagious as they share their talents through music and drama. You'll be treated to special selections played by our Beginning and Advanced Bands, hum along with the Chorus as they sing, and enjoy the Eagle Theater Company's production of "Boxes", where you'll meet Jack and witness a world where every teen comes of age by receiving an empty box. When Jack receives his box, family, friends, and teachers fill the box with expectations and he must sort through what matters most and what's worth holding onto.

### Field Day (K-4):

Who's ready for some water games?! Field Day will be taking place on Friday, April 27 from 12:00 - 2:30pm in the south parking lot. Students are required to wear the specified colored t-shirt below.

### T-shirt colors are as follows:

Kindergarten- **yellow**

First grade- **green**

Second grade- **orange**

Third grade- **red**

Fourth grade- **blue**

JEDI- **teal**

### Teacher Appreciation Week:

Teacher Appreciation Week is just around the corner. To show our appreciation, the CONNECT team is putting together themed baskets for our teachers. They are looking for goodies for the baskets. For every \$10 you spend, you may log one volunteer hour. Some ideas for a themed basket are: food, beach, reading, essential oils, and quiet time. We are also accepting donations of gently used baskets. Drop off your donations at the front office by April 12.

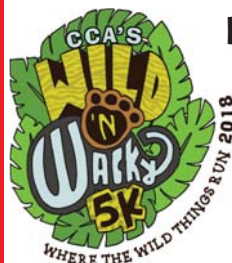

### 7th Life for Youth Camp:

### Preschool & VPK Parents:

In order to ensure the safety for our students, Preschool & VPK parents must park on the west side of the CCM Sanctuary (along Minton Road) and walk through the Commons for pick up and drop off.
