Calvary Chapel Academy's

EAGLE REPORT

Note from the Administration

Dear Calvary Chapel Academy Community, For many people outside of the church, they see Christianity as a religion focused on all of the things you are not supposed to do, a very restrictive and punitive existence. They lack a full understanding that Jesus is all about releasing us from bondage, not keeping us bound in it, and therefore Christianity is really freedom from captivity and hope everlasting.

When we look even closer at the true tenants of Christianity, we see that it's all about a relationship, covered in grace and sacrifice and grounded in love. This love is available to all who accept it, paid for on a cross; it is life altering, absolute, and proactive. We, as believers, have been benefactors of that sacrificial love and we are called to constantly pay off that love debt by loving others. But there's more! If we focus on love, really truly making that the goal, it prevents us from all of the other conditions of man that lead to sinful behavior, hate, anger, deception, envy. And as a beautiful bonus, if we love others the way God loves us, we are introduced to seeing people the way God sees them, not in the way the world sees them. We are called, by God, to love one another.

In this digital culture of "laugh out loud," what if we were called to not love quietly, or in subtle toned down private moments, but really "love out loud," love others in such a way that is intentional and unashamed? Can we embrace a culture of love at CCA that changes people's lives and hearts? Can we focus that love on others both inside and outside the school building walls? What if we were to accept Jesus' challenge to not just love those

that love us, but to love even our enemies and pray for those who persecute us?

We are told that love covers a multitude of sins, it is the fulfillment of the law, but most importantly, it lets others know that we are His disciples. What would a year of "Loving Out Loud" look like at CCA? What impact would it have in people's lives? Let's see. Join with us this year as we focus on this year's theme in our Bible classes, our Chapel time, and in every facet of doing Christian education.

We are very excited about all that this school year has in store and ask you to pray with us for an incredible year!

"A new command I give you: Love one another. As I have loved you, so you must love one another. By this everyone will know that you are my disciples, if you love one another." John 13:34-35

In Him,

Tim Flay,
Head of School
