A Note From the Administration

As we navigate the last few weeks of this school year, we find ourselves awash in a multitude of thoughts and emotions. Where did the year go? Welcome summer vacation! What will next year look like? I can't wait for High School. Wait... High School!? Where did the years go?

Each school year flows right into another leaving behind countless memories, valuable learning, and an abundance of life

experiences that God uses to mold and shape each of us into who He wants us to be. It doesn't matter if you are a parent, a student, or a staff member, God has each one of us on an individual and corporate journey and this most recent journey- "2016-2017 school year" is about to end. We should all spend some time taking stock of all that transpired on this year's journey and give praise to God for the mountains and the valleys, the good times and bad, the victories and challenges, and the opportunity for us to have experienced it together.

August will be here before we know it and another leg of our journey will begin, but before it does we should all realize how much we have grown this year. The theme "grow" challenged us to grow spiritually, academically, and socially and we pray that happened in each student's life this school year. Just know that no matter how much we have grown, God intends to continue that process in each of our lives until we go home or He returns.

Please allow me to wish you a restful, safe, and well deserved summer break. I will leave you with Paul's prayer to the church in Philippi found in chapter 1 of the book of Philippians, *"I thank my God every time I remember you. In all my prayers for all of you, I always pray with joy because of your partnership in the gospel from the first day until now, being confident of this, that he who began a good work in you will carry it on to completion until the day of Christ Jesus... And this is my prayer: that your love may abound more and more in knowledge and depth of insight, so that you may be able to discern what is best and may be pure and blameless for the day of Christ, filled with the fruit of righteousness that comes through Jesus Christ- to the glory and praise of God."* Philippians 1:3-6 & 9-11.

May God bless you this summer!

In Him,

Tim Flay, Head of School
